HOW TO BE A KICKASS STEM LEARNER

with

Bryan Dewsbury

Thursday, April 11
Kresge Town Hall | 5:30 PM

Dinner provided

A leading proponent of inclusive teaching, active learning, and community-building, Professor Dewsbury will engage directly with students about how to be outstanding learners.

Campus educators (faculty and graduate students) are invited to attend and learn more about his renowned methods for fostering learning for all students.

Bryan Dewsbury is Assistant Professor of Marine Biology at the University of Rhode Island and Principal Investigator of the Science Education and Society Research Program.
